Event Details

Event Title	World Health Day
Organized By	Ashokrao Mane College of Pharmacy, Peth Vadgaon
Date Of Organization	Saturday, 06/04/2024
Description	Every year on 6 th April the World Health Day is celebrated worldwide. It serves as a reminder to individuals communities & societies to focus upon the importance of health and well-being for people worldwide. The World Health Day was established in 1948 by the World Health Organization (WHO). It focuses on the importance of health as a fundamental human right and a key driver of social and economic development It calls for collective action and collaboration to address global health challenges and build a healthier, more equitable world for present and future generations. On World Health Day various activities are organized globally to mark the occasion. These may include health campaigns awareness-raising events seminars workshops health screenings and community outreach programs Additionally social media and digital platforms are utilized to amplify messages about health and engage a wider audience in discussions about pressing health issues.
