Description	Our college celebrated World Environment Day. We organized cleanliness activity for students & staff of our college as part of the World Environment Day on Monday 05th June 2018. As part of the Grow Your Own Forest project, the volunteers planted one sapling each at their residences, which motivated and inspired them to plant additional saplings in and around their communities and contribute to a greener planet. As a part of this programme the volunteers would collect as many seeds as possible for a week which will help them to build and manage a proper ecosystem for future generations. All programme was successful under guidance of Principal Dr. S. S. Patil sir & all staff members.
