During Photo Puja, sir said internationally, this day is celebrated as the International day of non-violence as Gandhiji propagated non-violence. He completed his education and got a law degree from London and then he went to South Africa to practice further. Mahatma Gandhiji was born on October 2, 1869, in Porbandar city of Gujarat. He was the pioneer in India's struggle for achieving freedom from British rule. We have to teach the next generation to follow the preaching &amp; values of Gandhiji.
