**NATIONAL SERVICE SCHEME (NSS)**  
**Special Camp Annual Report (2023-24)**

**Introduction:**

National Service Scheme (NSS) is an Indian government sponsored program under the department of Youths Affairs and Sports of the Government of India. It was started in 1969 the birth anniversary of Mahatma Gandhi.

**Motto:**

The motto of the National Service Scheme (NSS) is "Not Me, But You". This expresses the essence of democratic living and upholds the need for selfless services and appreciation of another man's point of view also shows consideration for fellow human beings. It underlines that the welfare of an individual is ultimately dependent on the welfare of the society as a whole. Therefore, it should be the aim of N.S.S to demonstrate this motto in its day-to-day activities.

**Aim:**

The main aim of the National Service Scheme (NSS) is personality development through social services or community services. This Program is to inculcate the social welfare thoughts in the students and to provide service to the society without any prejudice. NSS volunteers work hard day and night to ensure that everyone in our society who is needy gets every possible help from them so that they can also affiance their standards and lead a life of dignity in the society with all of us. In doing so the volunteers themselves learn a lot from the people in villages like how to struggle and how to lead a happy life in the extreme scarcity of resources and so on. Another aim is personality development through social service.

**Objectives:**

1. Understand the community in which students work.
2. Understand themselves about their community.
3. Identify the needs and problems of the community and involve them in problem-solving
4. Develop among them a sense of social and civic responsibility.
5. Utilize their knowledge in finding practical solutions to individual and community problems
6. Develop corporate requirements for group living and sharing of responsibilities.
7. Gain skills in mobilizing community participation.
8. Acquire leadership qualities and democratic attitudes.
9. Develop capacity to meet emergencies and natural disasters
10. Practice national integration and social harmony.

**Symbol:**

The symbol for the NSS has been based on the gain Rath Wheel of the world-famous Konark Sun temple (The Black Pagoda) situated in Orissa, India. The wheel portrays the cycle of creation, preservation, and release and signifies the movement in life across time and space. The symbol thus stands for continuity as well as change and implies the continuous striving of NSS for social change.

**Organization:**

Most Government and government-aided institutions both schools and colleges have NSS units composing volunteers. Even private institutions are encouraged to have NSS volunteers. A unit may typically count from 20 to 40 students. They are managed internally by responsibility from a school or college that reports to the regional NSS coordinator. Most of the institutions do not incorporate a separate uniform for NSS though it can be.

**Organization of various events:**

- Adopting village
- Clean Village Movement (school, roads, gram panchayat, village area).
- Inspiring lectures.
- Social activities & survey regarding various awareness.
- Health/Medical Checkup Camp- hemoglobin, blood sugar, blood group, blood pressure.
