Webinar Series
**PharmaNxt
Talks**

About the Event

PharmaNXT talk series webinars are revolutionizing the technical training experience for the pharmaceutical stakeholders with a unique approach to designing and delivering live online knowledge sharing programs. All scheduled and privately delivered knowledge sharing sessions are offered exclusively as live, interactive by the expert persons. The PharmaNXT Talk series is innovative "live only" training approach sets PharmaNXT talk webinars apart from the rest of the field. PharmaNXT talks webinars provides technical development and training in the form of live comprehensive online offerings that provide real-time classroom instructions using the virtual classroom format as a vehicle for reaching personal, team and organizational training goals. The ultimate objective of the webinar series is to aware the students the industry prospective and current state of affairs. Another important aspect of this talk series to share the career domains after UG/PG in pharmacy domain.
